

With over 145 years of experience, **Heartland Farm Mutual** strives to be the Best Farm Mutual. We are courageous. Our team is talented and dedicated, challenging the norm and striving to be better every day. People come first at Heartland. As a result, our focus is on relationships. It's all about delivering a genuine customer experience. We have a team of solution-oriented problem solvers providing expertise on our home, farm, commercial and auto products. As Heartland continues to grow and evolve, actuarial expertise, advanced predictive modeling and data analysis will be critical competencies for our future success. We are therefore expanding and broadening our Analytics team to include a Senior Actuarial Analyst.

### **Senior Actuarial Analyst – Waterloo**

#### **What you will do...**

- Perform research and data analysis on all information needs relating to all business segments of the company.
