

With over 145 years of property & casualty insurance experience, **Heartland Farm Mutual** strives to be the Best Farm Mutual. Heartland offers automobile, property and farm insurance to more than 50,000 people in Ontario. We are courageous. Our team is talented and dedicated, challenging the norm and striving to be better every day. People come first at Heartland. As a result, our focus is on relationships. It's all about delivering a genuine customer experience. We have a team of solution-oriented problem solvers providing expertise on our home, farm, commercial and auto products. We are currently recruiting for the role of:

### **Actuarial Analyst – Waterloo**

#### **What you will do...**

- Perform research and data analysis on informational needs relating to all business segments of the company.
- Understand and effectively utilize Heartland's policy admin and claims systems and their underlying data structures.
- Assist with rate analysis, pricing indications and assist with providing recommendations for product and pricing changes.
- Perform price competitive analysis
- Assist senior analysts who works with FSRA to complete the regulated Auto Filings.
- A contributor to the Product and Pricing Committee.
- Conduct market research and competitive analysis.
- Creating ad hoc reports using SAS.

#### **What you will bring...**

- University degree (Actuarial Science, Mathematics/Statistics or a related discipline).
- Successful completion of 1 to 3 exams from the Casualty Actuarial Society
- A minimum of 2 years' experience (or co-op related terms) in an actuarial/data analysis role, preferably with P&C insurance exposure or a significant educational background in a related discipline.
- Proficiency with SAS, SQL, and Excel.
- A working knowledge of Emblem would be an asset.
- A good understanding of P&C pricing and ratemaking concepts.
- Demonstrated strength in oral, written and presentation communication skills.
- Proven ability to work independently and as part of a team.

#### **What we offer...**

- A stable environment that truly values integrity, respect, professionalism, transparency, forward thinking, community & environment.
- Ongoing skills development with subsidies for tuition and professional accreditation.
- A defined Incentive Plan where commitment to excellence is financially rewarded.
